### YOU'RE NOT ALONE

According to the National Institute of Mental Health, 25% of people in the United States struggle with mental health challenges each year. That's 1 out of every 4 people you know. And the good news is, treatment works!

## SERVING YOU

### KEEPING EXCELLENT CARE AFFORDABLE FOR EVERYONE

To make sure everyone in our community has access to excellent mental health care and substance abuse recovery services, we accept Medicaid, Medicare and most insurance, and offer services on a sliding fee scale based on income and insurance status.

### TODAY CAN BE THE BEGINNING OF THINGS GETTING BETTER

Whether you need help in a crisis, help with a specific problem, or help managing day-to-day life more effectively, we can always find a way to make life easier.

**Getting started is easy!**

We're ready when you are.
